The 36-hole "Yamana Course" is surrounded by beautiful trees, and the expansive "Ugari Course" takes advantage of the natural hilly terrain. The Yamana Course is the masterpiece of Seiichi Inoue, a master golfer who created many prestigious courses in his later years. The Yamana Course hosts the JLPGA Tour's Yamaha Ladies Open Katsuragi every year.

The Fuji Course is an attractive course designed by C.H. Allison that makes the most of the natural terrain and overlooks the Sagaminada Sea. The course was selected as one of the "World's Best Golf Courses" by U.S. Golf Magazine, and hosted the FUJI SANKEI Ladies Classic, an annual JLPGA Tour event until 2024. The resort-like atmosphere and magnificent natural surroundings of the Oshima Course is perhaps best enjoyed while riding a golf cart.
